

Trades Recognition Australia (TRA) Ref [REDACTED]

Dear Hamid Mahmood,

**TRA Migration Skills Assessment Outcome**

DOB: 20 February 1977

Passport Number: [REDACTED]

This letter confirms that Trades Recognition Australia has assessed your skills under the TRA Migration Skills Assessment Program.

Your application has been assessed as **SUCCESSFUL** for the occupation of **Aircraft Maintenance Engineer (Avionics)-323111**.

You now have a valid skills assessment in the above occupation which can be used when you apply to the Department of Immigration and Border Protection (DIBP).

This assessment confirms that:

1. Your **Diploma in Instrument Technology** qualification was assessed for the purposes of a Migration Skills Assessment as comparable to at least an **AQF certificate IV** relevant to your nominated occupation; and
2. Your employment evidence meets the TRA requirements of working in the nominated occupation for a minimum of three years at trade level and meets the currency requirement.

Please note this letter does not represent formal accreditation of your skills and experience.

To work in some occupations in parts of Australia, you may be subject to further testing, assessment or State Government licensing or registration requirements. Occupational Licences are issued by State licensing bodies. Please refer to the information for your occupation available on the Licence Recognition website: [www.licencerecognition.gov.au](http://www.licencerecognition.gov.au). This includes details of State licensing authorities.

For the purposes of this skills assessment, TRA considers that the applicant was first able to commence work in skilled employment in the nominated occupation from **19 October 1995**.

Yours sincerely

Program Officer
